

6.25 x 9.25

6 x 9

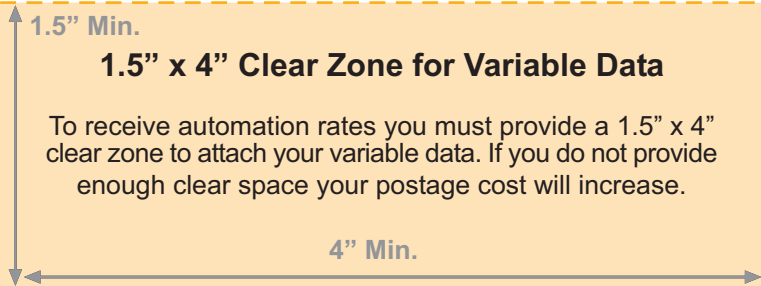

5.75 x 8.75

Recomended Set Up For Automation Rates 6" x 9" Postcard

No Mailable Address In This Area

To eliminate the risk of your postcards being returned to you by the Postal Automation Process, do not place an address with a state or zip code in this area.

To receive automation rates you must provide a 1.5" x 4" clear zone to attach your variable data. If you do not provide enough clear space your postage cost will increase.

.5"

.625"

1/8" Bleed - 6.25" x 9.25" Cut Edge 6" x 9"

1/8" Safe Area - 5.75" x 8.75" Clear Zones for Automation Rates
